Future developments. For the latest information about developments related to Schedule B (Form 990, 990-EZ, or 990-PF), such as legislation enacted after the schedule and its instructions were published, go to www.irs.gov/Form990.

Note: Terms in **bold** are defined in the *Glossary* of the Instructions for Form 990.

What's New

For tax years ending on or after December 31, 2018, certain tax-exempt organizations are no longer required to report the names and addresses of their contributors on Schedule B (Form 990 or 990-EZ). However, these organizations must continue to keep this information in their books and records. Organizations described in section 501(c)(3) and section 527 are still required to report the names and addresses of their contributors on Schedule B. See Rev. Proc. 2018-38, 2018-31 I.R.B. 280, and *General Rule*, below.

Purpose of Schedule

Schedule B (Form 990, 990-EZ, or 990-PF) is used to provide information on contributions the organization reported on:

- Form 990, Return of Organization Exempt From Income Tax, Part VIII, Statement of Revenue, line 1;
- Form 990-EZ, Short Form Return of Organization Exempt From Income Tax, Part I. line 1: or
- Form 990-PF, Return of Private Foundation, Part I, line 1.

Who Must File

Every organization must complete and attach Schedule B to its Form 990, 990-EZ, or 990-PF, unless it certifies that it doesn't meet the filing requirements of this schedule by:

- Answering "No" on Form 990, Part IV, Checklist of Required Schedules, line 2; or
- · Checking the box on:
 - Form 990-EZ, line H; or
 - Form 990-PF, Part I, Analysis of Revenue and Expenses, line 2.

See the separate instructions for these lines on those forms.

If an organization isn't required to file Form 990, 990-EZ, or 990-PF but chooses to do so, it must file a complete return and provide all of the information requested, including the required schedules.

Accounting Method

When completing Schedule B (Form 990, 990-EZ, or 990-PF), the organization must use the same accounting method it checked on Form 990, Part XII, *Financial Statements and Reporting*, line 1; Form 990-EZ, line G; or Form 990-PF, line J.

Public Inspection

Note: Don't include social security numbers of contributors as this information may be made public.

- Schedule B is open to public inspection for an organization that files Form 990-PF.
- Schedule B is open to public inspection for a section 527 political organization that files Form 990 or 990-EZ.
- For all other organizations that file Form 990 or 990-EZ, the names and addresses of contributors aren't required to be made available for public inspection. All other information, including the amount of contributions, the description of noncash contributions, and any other information, is required to be made available for public inspection unless it clearly identifies the contributor.

If an organization files a copy of Form 990 or 990-EZ, and attachments, with any state, it shouldn't include its Schedule B (Form 990, 990-EZ, or 990-PF) in the attachments for the state, unless a schedule of contributors is specifically required by the state. States that don't require the information might inadvertently make the schedule available for public inspection along with the rest of the Form 990 or 990-EZ.

See the instructions for Form 990, 990-EZ, or 990-PF for information on telephone assistance and the public inspection rules for these forms and their attachments.

Contributions To Be Included on Part I

A contributor (person) includes individuals, fiduciaries, partnerships, corporations, associations, trusts, and exempt organizations. In addition, section 509(a)(2), 170(b)(1)(A)(iv), and 170(b)(1)(A)(vi) organizations must also report governmental units as contributors.

Contributions

Contributions reportable on Schedule B (Form 990, 990-EZ, or 990-PF) are contributions, grants, bequests, devises, and gifts of money or property, whether or not for charitable purposes. For example, political contributions to section 527 political organizations are included. Contributions don't include fees for the performance of services. See the instructions for Form 990, Part VIII, line 1, for more detailed information on contributions.

General Rule

Unless the organization is covered by one of the Special Rules, later, it must report in Part I contributions from all persons who contribute \$5,000 or more (in money or other property) during the tax year. As described below, certain organizations report only total contribution amounts. Contributions may be made directly or indirectly and may take the form of money, securities, or any other type of property.

Include all separate and independent gifts that are \$1,000 or more to determine a contributor's total contribution. Gifts that are less than \$1,000 may be disregarded. Include each contribution reported on Form 990, Part VIII, line 1. For example, if an organization that uses the accrual method of accounting reports a pledge of noncash property in Part VIII, line 1, it must include the value of that contribution in calculating whether the contributor meets the General Rule (or one of the Special Rules, if applicable), even if the organization didn't receive the property during the tax year.

Certain organizations not required to report contributor names and addresses. Certain organizations are no longer required to report the names and addresses of their contributors on Schedule B. Such organizations are those other than:

- Section 501(c)(3) organizations (including section 4947(a)(1) nonexempt charitable trusts and nonexempt private foundations described in section 6033(d)), or
- Section 527 political organizations.

Organizations not required to report the names and addresses should enter "N/A" in Part I, column (b). These organizations must continue to:

- Collect the names and addresses of their contributors.
- Keep this information in their records and books, and
- Make the information available to the IRS upon request.

Section 501(c)(3) organizations (including section 4947(a)(1) nonexempt charitable trusts and nonexempt private foundations described in section 6033(d)), and section 527 political organizations must continue to report the names and addresses of their contributors in Part I, column (b), on Schedule B.

Special Rules

Section 501(c)(3) organizations that file Form 990 or 990-EZ. For an organization described in section 501(c)(3) that meets the 331/3% support test of the regulations under sections 509(a)(1) and 170(b)(1)(A)(vi), and not just the 10% support test (whether or not the organization is otherwise described in section 170(b)(1)(A)), list in Part I only those contributors whose contribution of \$5,000 or more during the tax year is greater than 2% of the amount reported on Form 990, Part VIII, line 1h(A); or Form 990-EZ, line 1. An organization that claims the benefit of this special rule must either (1) establish on Schedule A (Form 990 or 990-EZ), Part II, that it met the 331/3% support test for the current year or prior year; or (2) check the box on Schedule A (Form 990 or 990-EZ), Part I, line 7 or 8, and the box on Schedule A, Part II, line 13, as a section 170(b)(1)(A)(vi) organization in its first 5 years.

Example. A section 501(c)(3) organization, of the type described above, reported \$700,000 in total contributions, gifts, grants, and similar amounts received on Form 990, Part VIII, line 1h. The organization is only required to list in Parts I and II of its Schedule B each person who

contributed more than the greater of \$5,000 or 2% of \$700,000 (\$14,000) during the tax year. Thus, a contributor who gave a total of \$11,000 wouldn't be reported in Parts I and II for this section 501(c)(3) organization. Even though the \$11,000 contribution to the organization was greater than \$5,000, it didn't exceed \$14,000.

Section 501(c)(7), (8), or (10) organizations. For contributions to these social and recreational clubs, fraternal beneficiary and domestic fraternal societies, orders, or associations that weren't for an exclusively religious, charitable, etc., purpose, list in Part I contributions from each contributor who contributed \$5,000 or more during the tax year, as described under *General Rule*, earlier.

For contributions to a section 501(c)(7), (8), or (10) organization received for use exclusively for religious, charitable, scientific, literary, or educational purposes, or for the prevention of cruelty to children or animals (section 170(c)(4), 2055(a)(3), or 2522(a)(3)), list in Part I contributions from each contributor whose aggregate contributions for an exclusively religious, charitable, etc., purpose were more than \$1,000 during the tax year. To determine the more-than-\$1,000 amount, total all of a contributor's gifts for the tax year (regardless of amount). For a noncash contribution, complete Part II.

All section 501(c)(7), (8), or (10) organizations that listed an exclusively religious, charitable, etc., contribution in Part I or II must also complete Part III to provide further information on such contributions of more than \$1,000 during the tax year and show the total amount received from such contributions that were for \$1,000 or less during the tax year.

All section 501(c)(7), (8), or (10) organizations listing contributions under this special rule should enter "N/A" in Part I, column (b), and should not enter the name and address of any contributor.

However, if a section 501(c)(7), (8), or (10) organization didn't receive total contributions of more than \$1,000 from a single contributor during the tax year for exclusively religious, charitable, etc., purposes and consequently wasn't required to complete Parts I through III with respect to these contributions, it need only check the third *Special Rules* box on the front of Schedule B and enter, in the space provided, the total contributions it received during the tax year for an exclusively religious, charitable, etc., purpose.

Specific Instructions

Don't attach substitutes for Schedule B or attachments to Schedule B with information on contributors. Parts I, II, and III of

Schedule B may be duplicated as needed to provide adequate space for listing all contributors. Number each page of each part (for example, Page 2 of 5, Part II).

Part I. In column (a), identify the first contributor listed as No. 1 and the second contributor as No. 2, etc. Number

consecutively. In column (b), section 501(c)(3) organizations (including section 4947(a)(1) nonexempt charitable trusts and section 501(c)(3) nonexempt private foundations) and section 527 organizations enter the contributor's name, address, and ZIP code. Identify a donor as "anonymous" only if the organization doesn't know the donor's identity. Other organizations enter "N/A" in place of each contributor's name, address, and ZIP code. In column (c), enter the amount of total contributions for the tax year for the contributor listed.

In column (d), check the type of contribution. Check all that apply for the contributor listed. If a cash contribution came directly from a contributor (other than through payroll deduction), check the "Person" box. A cash contribution includes contributions paid by cash, credit card, check, money order, electronic fund or wire transfer, and other charges against funds on deposit at a financial institution.

If an **employee's** cash contribution was forwarded by an employer (indirect contribution), check the "Payroll" box. If an employer withholds contributions from employees' pay and periodically gives them to the organization, report only the employer's name and address or "N/A," as applicable, and the total amount given unless you know that a particular employee gave enough to be listed separately.

Check the "Noncash" box in column (d) for any contribution of property other than cash during the tax year, and complete Part II of this schedule. For example, if an organization that uses the accrual method of accounting reports a pledge of noncash property on Form 990, Part VIII, line 1g, it must check the "Noncash" box and complete Part II even if the organization didn't receive the property during the tax year.

For a section 527 organization that files a Form 8871, Political Organization Notice of Section 527 Status, the names and addresses of contributors that aren't reported on Form 8872, Political Organization Report of Contributions and Expenditures, don't need to be reported in Part I if the organization paid the amount specified by section 527(j)(1). In this case, enter "Pd. 527(j)(1)" in column (b) instead of a name, address, and ZIP code; but you must enter the amount of contributions in column (c).

Part II. In column (a), show the number that corresponds to the contributor's number in Part I. In column (b), describe the **noncash contribution** received by the organization during the tax year, regardless of the value of that noncash contribution. Note the public inspection rules discussed earlier.

In columns (c) and (d), report property with readily determinable market value (for example, market quotations for securities) by listing its fair market value (FMV). If the organization immediately sells securities contributed to the organization (including through a broker or agent), the contribution still must be reported as a gift of property (rather than cash) in the amount of the net

proceeds plus the broker's fees and expenses. See the instructions for Form 990, Part VIII, line 1g, which provide an example to illustrate this point. If the property isn't immediately sold, measure market value of marketable securities registered and listed on a recognized securities exchange by the average of the highest and lowest quoted selling prices (or the average between the bona fide bid and asked prices) on the contribution date. See Regulations section 20.2031-2 to determine the value of contributed stocks and bonds. When FMV can't be readily determined, use an appraised or estimated value. To determine the amount of a noncash contribution subject to an outstanding debt, subtract the debt from the property's FMV. Enter the date the property was received by the organization, but only if the donor has fully given up use and enjoyment of the property at that time.

The organization must report the value of any qualified conservation contributions and contributions of conservation easements listed in Part II consistently with how it reports revenue from such contributions in its books, records, and financial statements and in Form 990, Part VIII, Statement of Revenue.

For more information on noncash contributions, see the instructions for Schedule M (Form 990), Noncash Contributions.

If the organization received a partially completed Form 8283, Noncash Charitable Contributions, from a donor, complete it and return it so the donor can get a charitable contribution deduction. Keep a copy for your records.

Original (first) and successor donee (recipient) organizations must file Form 8282, Donee Information Return, if they sell, exchange, consume, or otherwise dispose of (with or without consideration) charitable deduction property (property other than money or certain publicly traded securities) within 3 years after the date the original donee received the property.

Part III. Section 501(c)(7), (8), or (10) organizations that received contributions for use exclusively for religious, charitable, etc., purposes during the tax year must complete Parts I through III for each person whose gifts totaled more than \$1,000 during the tax year. Show also, in the heading of Part III, the total of gifts to these organizations that were \$1,000 or less for the tax year and were for exclusively religious, charitable, etc., purposes. Complete this information only on the first Part III page if you use duplicate copies of Part III.

If an amount is set aside for an exclusively religious, charitable, etc., purpose, show in column (d) how the amount is held (for example, whether it is commingled with amounts held for other purposes). If the organization transferred the gift to another organization, show the name and address of the transferee organization in column (e) and explain the relationship between the two organizations.

Future developments. For the latest information about developments related to Schedule B (Form 990, 990-EZ, or 990-PF), such as legislation enacted after the schedule and its instructions were published, go to www.irs.gov/Form990.

Note: Terms in **bold** are defined in the *Glossary* of the Instructions for Form 990.

What's New

For tax years ending on or after December 31, 2018, certain tax-exempt organizations are no longer required to report the names and addresses of their contributors on Schedule B (Form 990 or 990-EZ). However, these organizations must continue to keep this information in their books and records. Organizations described in section 501(c)(3) and section 527 are still required to report the names and addresses of their contributors on Schedule B. See Rev. Proc. 2018-38, 2018-31 I.R.B. 280, and General Rule, below.

Purpose of Schedule

Schedule B (Form 990, 990-EZ, or 990-PF) is used to provide information on contributions the organization reported on:

- Form 990, Return of Organization Exempt From Income Tax, Part VIII, Statement of Revenue, line 1;
- Form 990-EZ, Short Form Return of Organization Exempt From Income Tax, Part I, line 1; or
- Form 990-PF, Return of Private Foundation, Part I, line 1.

Who Must File

Every organization must complete and attach Schedule B to its Form 990, 990-EZ, or 990-PF, unless it certifies that it doesn't meet the filing requirements of this schedule by:

- Answering "No" on Form 990, Part IV, Checklist of Required Schedules, line 2; or
- · Checking the box on:
 - Form 990-EZ, line H; or
 - Form 990-PF, Part I, Analysis of Revenue and Expenses, line 2.

See the separate instructions for these lines on those forms.

If an organization isn't required to file Form 990, 990-EZ, or 990-PF but chooses to do so, it must file a complete return and provide all of the information requested, including the required schedules.

Accounting Method

When completing Schedule B (Form 990, 990-EZ, or 990-PF), the organization must use the same accounting method it checked on Form 990, Part XII, *Financial Statements and Reporting*, line 1; Form 990-EZ, line G; or Form 990-PF, line J.

Public Inspection

Note: Don't include social security numbers of contributors as this information may be made public.

- Schedule B is open to public inspection for an organization that files Form 990-PF.
- Schedule B is open to public inspection for a section 527 political organization that files Form 990 or 990-EZ.
- For all other organizations that file Form 990 or 990-EZ, the names and addresses of contributors aren't required to be made available for public inspection. All other information, including the amount of contributions, the description of noncash contributions, and any other information, is required to be made available for public inspection unless it clearly identifies the contributor.

If an organization files a copy of Form 990 or 990-EZ, and attachments, with any state, it shouldn't include its Schedule B (Form 990, 990-EZ, or 990-PF) in the attachments for the state, unless a schedule of contributors is specifically required by the state. States that don't require the information might inadvertently make the schedule available for public inspection along with the rest of the Form 990 or 990-EZ.

See the instructions for Form 990, 990-EZ, or 990-PF for information on telephone assistance and the public inspection rules for these forms and their attachments.

Contributions To Be Included on Part I

A contributor (person) includes individuals, fiduciaries, partnerships, corporations, associations, trusts, and exempt organizations. In addition, section 509(a)(2), 170(b)(1)(A)(iv), and 170(b)(1)(A)(vi) organizations must also report governmental units as contributors.

Contributions

Contributions reportable on Schedule B (Form 990, 990-EZ, or 990-PF) are contributions, grants, bequests, devises, and gifts of money or property, whether or not for charitable purposes. For example, political contributions to section 527 political organizations are included. Contributions don't include fees for the performance of services. See the instructions for Form 990, Part VIII, line 1, for more detailed information on contributions.

General Rule

Unless the organization is covered by one of the Special Rules, later, it must report in Part I contributions from all persons who contribute \$5,000 or more (in money or other property) during the tax year. As described below, certain organizations report only total contribution amounts. Contributions may be made directly or indirectly and may take the form of money, securities, or any other type of property.

Include all separate and independent gifts that are \$1,000 or more to determine a contributor's total contribution. Gifts that are less than \$1,000 may be disregarded. Include each contribution reported on Form 990, Part VIII, line 1. For example, if an organization that uses the accrual method of accounting reports a pledge of noncash property in Part VIII, line 1, it must include the value of that contribution in calculating whether the contributor meets the General Rule (or one of the Special Rules, if applicable), even if the organization didn't receive the property during the tax year.

Certain organizations not required to report contributor names and addresses. Certain organizations are no longer required to report the names and addresses of their contributors on Schedule B. Such organizations are those other than:

- Section 501(c)(3) organizations (including section 4947(a)(1) nonexempt charitable trusts and nonexempt private foundations described in section 6033(d)), or
- Section 527 political organizations.
 Organizations not required to report the names and addresses should enter "N/A" in Part I, column (b). These organizations must continue to:
- Collect the names and addresses of their contributors,
- Keep this information in their records and books, and
- Make the information available to the IRS upon request.

Section 501(c)(3) organizations (including section 4947(a)(1) nonexempt charitable trusts and nonexempt private foundations described in section 6033(d)), and section 527 political organizations must continue to report the names and addresses of their contributors in Part I, column (b), on Schedule B.

Special Rules

Section 501(c)(3) organizations that file Form 990 or 990-EZ. For an organization described in section 501(c)(3) that meets the 331/3% support test of the regulations under sections 509(a)(1) and 170(b)(1)(A)(vi), and not just the 10% support test (whether or not the organization is otherwise described in section 170(b)(1)(A)), list in Part I only those contributors whose contribution of \$5,000 or more during the tax year is greater than 2% of the amount reported on Form 990, Part VIII, line 1h(A); or Form 990-EZ, line 1. An organization that claims the benefit of this special rule must either (1) establish on Schedule A (Form 990 or 990-EZ), Part II, that it met the 331/3% support test for the current year or prior year; or (2) check the box on Schedule A (Form 990 or 990-EZ), Part I, line 7 or 8, and the box on Schedule A, Part II, line 13, as a section 170(b)(1)(A)(vi) organization in its first 5 years.

Example. A section 501(c)(3) organization, of the type described above, reported \$700,000 in total contributions, gifts, grants, and similar amounts received on Form 990, Part VIII, line 1h. The organization is only required to list in Parts I and II of its Schedule B each person who

contributed more than the greater of \$5,000 or 2% of \$700,000 (\$14,000) during the tax year. Thus, a contributor who gave a total of \$11,000 wouldn't be reported in Parts I and II for this section 501(c)(3) organization. Even though the \$11,000 contribution to the organization was greater than \$5,000, it didn't exceed \$14,000.

Section 501(c)(7), (8), or (10) organizations. For contributions to these social and recreational clubs, fraternal beneficiary and domestic fraternal societies, orders, or associations that weren't for an exclusively religious, charitable, etc., purpose, list in Part I contributions from each contributor who contributed \$5,000 or more during the tax year, as described under *General Rule*, earlier.

For contributions to a section 501(c)(7), (8), or (10) organization received for use exclusively for religious, charitable, scientific, literary, or educational purposes, or for the prevention of cruelty to children or animals (section 170(c)(4), 2055(a)(3), or 2522(a)(3)), list in Part I contributions from each contributor whose aggregate contributions for an exclusively religious, charitable, etc., purpose were more than \$1,000 during the tax year. To determine the more-than-\$1,000 amount, total all of a contributor's gifts for the tax year (regardless of amount). For a noncash contribution, complete Part II.

All section 501(c)(7), (8), or (10) organizations that listed an exclusively religious, charitable, etc., contribution in Part I or II must also complete Part III to provide further information on such contributions of more than \$1,000 during the tax year and show the total amount received from such contributions that were for \$1,000 or less during the tax year.

All section 501(c)(7), (8), or (10) organizations listing contributions under this special rule should enter "N/A" in Part I, column (b), and should not enter the name and address of any contributor.

However, if a section 501(c)(7), (8), or (10) organization didn't receive total contributions of more than \$1,000 from a single contributor during the tax year for exclusively religious, charitable, etc., purposes and consequently wasn't required to complete Parts I through III with respect to these contributions, it need only check the third *Special Rules* box on the front of Schedule B and enter, in the space provided, the total contributions it received during the tax year for an exclusively religious, charitable, etc., purpose.

Specific Instructions

Don't attach substitutes for Schedule B or attachments to Schedule B with information on contributors. Parts I, II, and III of

Schedule B may be duplicated as needed to provide adequate space for listing all contributors. Number each page of each part (for example, Page 2 of 5, Part II).

Part I. In column (a), identify the first contributor listed as No. 1 and the second contributor as No. 2, etc. Number consecutively. In column (b), section 501(c)(3) organizations (including section 4947(a)(1) nonexempt charitable trusts and section 501(c)(3) nonexempt private foundations) and section 527 organizations enter the contributor's name, address, and ZIP code. Identify a donor as "anonymous" only if the organization doesn't know the donor's identity. Other organizations enter "N/A" in place of each contributor's name, address, and ZIP code. In column (c), enter the amount of total contributions for the tax year for the contributor listed.

In column (d), check the type of contribution. Check all that apply for the contributor listed. If a cash contribution came directly from a contributor (other than through payroll deduction), check the "Person" box. A cash contribution includes contributions paid by cash, credit card, check, money order, electronic fund or wire transfer, and other charges against funds on deposit at a financial institution.

If an **employee's** cash contribution was forwarded by an employer (indirect contribution), check the "Payroll" box. If an employer withholds contributions from employees' pay and periodically gives them to the organization, report only the employer's name and address or "N/A," as applicable, and the total amount given unless you know that a particular employee gave enough to be listed separately.

Check the "Noncash" box in column (d) for any contribution of property other than cash during the tax year, and complete Part II of this schedule. For example, if an organization that uses the accrual method of accounting reports a pledge of noncash property on Form 990, Part VIII, line 1g, it must check the "Noncash" box and complete Part II even if the organization didn't receive the property during the tax year.

For a section 527 organization that files a Form 8871, Political Organization Notice of Section 527 Status, the names and addresses of contributors that aren't reported on Form 8872, Political Organization Report of Contributions and Expenditures, don't need to be reported in Part I if the organization paid the amount specified by section 527(j)(1). In this case, enter "Pd. 527(j)(1)" in column (b) instead of a name, address, and ZIP code; but you must enter the amount of contributions in column (c).

Part II. In column (a), show the number that corresponds to the contributor's number in Part I. In column (b), describe the noncash contribution received by the organization during the tax year, regardless of the value of that noncash contribution. Note the public inspection rules discussed earlier.

In columns (c) and (d), report property with readily determinable market value (for example, market quotations for securities) by listing its fair market value (FMV). If the organization immediately sells securities contributed to the organization (including through a broker or agent), the contribution still must be reported as a gift of property (rather than cash) in the amount of the net

proceeds plus the broker's fees and expenses. See the instructions for Form 990, Part VIII, line 1g, which provide an example to illustrate this point. If the property isn't immediately sold, measure market value of marketable securities registered and listed on a recognized securities exchange by the average of the highest and lowest quoted selling prices (or the average between the bona fide bid and asked prices) on the contribution date. See Regulations section 20.2031-2 to determine the value of contributed stocks and bonds. When FMV can't be readily determined, use an appraised or estimated value. To determine the amount of a noncash contribution subject to an outstanding debt, subtract the debt from the property's FMV. Enter the date the property was received by the organization, but only if the donor has fully given up use and enjoyment of the property at that time.

The organization must report the value of any qualified conservation contributions and contributions of conservation easements listed in Part II consistently with how it reports revenue from such contributions in its books, records, and financial statements and in Form 990, Part VIII, Statement of Revenue.

For more information on noncash contributions, see the instructions for Schedule M (Form 990), Noncash Contributions.

If the organization received a partially completed Form 8283, Noncash Charitable Contributions, from a donor, complete it and return it so the donor can get a charitable contribution deduction. Keep a copy for your records.

Original (first) and successor donee (recipient) organizations must file Form 8282, Donee Information Return, if they sell, exchange, consume, or otherwise dispose of (with or without consideration) charitable deduction property (property other than money or certain publicly traded securities) within 3 years after the date the original donee received the property.

Part III. Section 501(c)(7), (8), or (10) organizations that received contributions for use exclusively for religious, charitable, etc., purposes during the tax year must complete Parts I through III for each person whose gifts totaled more than \$1,000 during the tax year. Show also, in the heading of Part III, the total of gifts to these organizations that were \$1,000 or less for the tax year and were for exclusively religious, charitable, etc., purposes. Complete this information only on the first Part III page if you use duplicate copies of Part III.

If an amount is set aside for an exclusively religious, charitable, etc., purpose, show in column (d) how the amount is held (for example, whether it is commingled with amounts held for other purposes). If the organization transferred the gift to another organization, show the name and address of the transferee organization in column (e) and explain the relationship between the two organizations.

General Instructions

Future developments. For the latest information about developments related to Schedule B (Form 990, 990-EZ, or 990-PF), such as legislation enacted after the schedule and its instructions were published, go to www.irs.gov/Form990.

Note: Terms in **bold** are defined in the *Glossary* of the Instructions for Form 990.

What's New

For tax years ending on or after December 31, 2018, certain tax-exempt organizations are no longer required to report the names and addresses of their contributors on Schedule B (Form 990 or 990-EZ). However, these organizations must continue to keep this information in their books and records. Organizations described in section 501(c)(3) and section 527 are still required to report the names and addresses of their contributors on Schedule B. See Rev. Proc. 2018-38, 2018-31 I.R.B. 280, and General Rule, below.

Purpose of Schedule

Schedule B (Form 990, 990-EZ, or 990-PF) is used to provide information on contributions the organization reported on:

- Form 990, Return of Organization Exempt From Income Tax, Part VIII, Statement of Revenue, line 1;
- Form 990-EZ, Short Form Return of Organization Exempt From Income Tax, Part I, line 1; or
- Form 990-PF, Return of Private Foundation, Part I, line 1.

Who Must File

Every organization must complete and attach Schedule B to its Form 990, 990-EZ, or 990-PF, unless it certifies that it doesn't meet the filing requirements of this schedule by:

- Answering "No" on Form 990, Part IV, Checklist of Required Schedules, line 2; or
- Checking the box on:
 - Form 990-EZ, line H; or
 - Form 990-PF, Part I, Analysis of Revenue and Expenses, line 2.

See the separate instructions for these lines on those forms.

If an organization isn't required to file Form 990, 990-EZ, or 990-PF but chooses to do so, it must file a complete return and provide all of the information requested, including the required schedules.

Accounting Method

When completing Schedule B (Form 990, 990-EZ, or 990-PF), the organization must use the same accounting method it checked on Form 990, Part XII, *Financial Statements and Reporting*, line 1; Form 990-EZ, line G; or Form 990-PF, line J.

Public Inspection

Note: Don't include social security numbers of contributors as this information may be made public.

- Schedule B is open to public inspection for an organization that files Form 990-PF.
- Schedule B is open to public inspection for a section 527 political organization that files Form 990 or 990-EZ.
- For all other organizations that file Form 990 or 990-EZ, the names and addresses of contributors aren't required to be made available for public inspection. All other information, including the amount of contributions, the description of noncash contributions, and any other information, is required to be made available for public inspection unless it clearly identifies the contributor.

If an organization files a copy of Form 990 or 990-EZ, and attachments, with any state, it shouldn't include its Schedule B (Form 990, 990-EZ, or 990-PF) in the attachments for the state, unless a schedule of contributors is specifically required by the state. States that don't require the information might inadvertently make the schedule available for public inspection along with the rest of the Form 990 or 990-EZ.

See the instructions for Form 990, 990-EZ, or 990-PF for information on telephone assistance and the public inspection rules for these forms and their attachments.

Contributions To Be Included on Part I

A contributor (person) includes individuals, fiduciaries, partnerships, corporations, associations, trusts, and exempt organizations. In addition, section 509(a)(2), 170(b)(1)(A)(iv), and 170(b)(1)(A)(vi) organizations must also report governmental units as contributors.

Contributions

Contributions reportable on Schedule B (Form 990, 990-EZ, or 990-PF) are contributions, grants, bequests, devises, and gifts of money or property, whether or not for charitable purposes. For example, political contributions to section 527 political organizations are included. Contributions don't include fees for the performance of services. See the instructions for Form 990, Part VIII, line 1, for more detailed information on contributions.

General Rule

Unless the organization is covered by one of the *Special Rules*, later, it must report in Part I contributions from all persons who contribute \$5,000 or more (in money or other property) during the **tax year**. As described below, certain organizations report only total contribution amounts. Contributions may be made directly or indirectly and may take the form of money, **securities**, or any other type of property.

Include all separate and independent gifts that are \$1,000 or more to determine a contributor's total contribution. Gifts that are less than \$1,000 may be disregarded. Include each contribution reported on Form 990, Part VIII, line 1. For example, if an organization that uses the accrual method of accounting reports a pledge of noncash property in Part VIII, line 1, it must include the value of that contribution in calculating whether the contributor meets the General Rule (or one of the Special Rules, if applicable), even if the organization didn't receive the property during the tax year.

Certain organizations not required to report contributor names and addresses. Certain organizations are no longer required to report the names and addresses of their contributors on Schedule B. Such organizations are those other than:

- Section 501(c)(3) organizations (including section 4947(a)(1) nonexempt charitable trusts and nonexempt private foundations described in section 6033(d)), or
- Section 527 political organizations.

Organizations not required to report the names and addresses should enter "N/A" in Part I, column (b). These organizations must continue to:

- Collect the names and addresses of their contributors,
- Keep this information in their records and books, and
- Make the information available to the IRS upon request.

Section 501(c)(3) organizations (including section 4947(a)(1) nonexempt charitable trusts and nonexempt private foundations described in section 6033(d)), and section 527 political organizations must continue to report the names and addresses of their contributors in Part I, column (b), on Schedule B.

Special Rules

Section 501(c)(3) organizations that file Form 990 or 990-EZ. For an organization described in section 501(c)(3) that meets the 331/3% support test of the regulations under sections 509(a)(1) and 170(b)(1)(A)(vi), and not just the 10% support test (whether or not the organization is otherwise described in section 170(b)(1)(A)), list in Part I only those contributors whose contribution of \$5,000 or more during the tax year is greater than 2% of the amount reported on Form 990, Part VIII, line 1h(A); or Form 990-EZ, line 1. An organization that claims the benefit of this special rule must either (1) establish on Schedule A (Form 990 or 990-EZ), Part II, that it met the 331/3% support test for the current year or prior year; or (2) check the box on Schedule A (Form 990 or 990-EZ), Part I, line 7 or 8, and the box on Schedule A, Part II, line 13, as a section 170(b)(1)(A)(vi) organization in its first 5 years.

Example. A section 501(c)(3) organization, of the type described above, reported \$700,000 in total contributions, gifts, grants, and similar amounts received on Form 990, Part VIII, line 1h. The organization is only required to list in Parts I and II of its Schedule B each person who

contributed more than the greater of \$5,000 or 2% of \$700,000 (\$14,000) during the tax year. Thus, a contributor who gave a total of \$11,000 wouldn't be reported in Parts I and II for this section 501(c)(3) organization. Even though the \$11,000 contribution to the organization was greater than \$5,000. it didn't exceed \$14,000.

Section 501(c)(7), (8), or (10) organizations. For contributions to these social and recreational clubs, fraternal beneficiary and domestic fraternal societies, orders, or associations that weren't for an exclusively religious, charitable, etc., purpose, list in Part I contributions from each contributor who contributed \$5,000 or more during the tax year, as described under *General Rule*, earlier.

For contributions to a section 501(c)(7), (8), or (10) organization received for use exclusively for religious, charitable, scientific, literary, or educational purposes, or for the prevention of cruelty to children or animals (section 170(c)(4), 2055(a)(3), or 2522(a)(3)), list in Part I contributions from each contributor whose aggregate contributions for an exclusively religious, charitable, etc., purpose were more than \$1,000 during the tax year. To determine the more-than-\$1,000 amount, total all of a contributor's gifts for the tax year (regardless of amount). For a noncash contribution, complete Part II.

All section 501(c)(7), (8), or (10) organizations that listed an exclusively religious, charitable, etc., contribution in Part I or II must also complete Part III to provide further information on such contributions of more than \$1,000 during the tax year and show the total amount received from such contributions that were for \$1,000 or less during the tax year.

All section 501(c)(7), (8), or (10) organizations listing contributions under this special rule should enter "N/A" in Part I, column (b), and should not enter the name and address of any contributor.

However, if a section 501(c)(7), (8), or (10) organization didn't receive total contributions of more than \$1,000 from a single contributor during the tax year for exclusively religious, charitable, etc., purposes and consequently wasn't required to complete Parts I through III with respect to these contributions, it need only check the third *Special Rules* box on the front of Schedule B and enter, in the space provided, the total contributions it received during the tax year for an exclusively religious, charitable, etc., purpose.

Specific Instructions

Don't attach substitutes for Schedule B or attachments to Schedule B with information on contributors. Parts I, II, and III of

Schedule B may be duplicated as needed to provide adequate space for listing all contributors. Number each page of each part (for example, Page 2 of 5, Part II).

Part I. In column (a), identify the first contributor listed as No. 1 and the second contributor as No. 2, etc. Number consecutively. In column (b), section 501(c)(3) organizations (including section 4947(a)(1) nonexempt charitable trusts and section 501(c)(3) nonexempt private foundations) and section 527 organizations enter the contributor's name, address, and ZIP code. Identify a donor as "anonymous" only if the organization doesn't know the donor's identity. Other organizations enter "N/A" in place of each contributor's name, address, and ZIP code. In column (c), enter the amount of total contributions for the tax year for the contributor listed.

In column (d), check the type of contribution. Check all that apply for the contributor listed. If a cash contribution came directly from a contributor (other than through payroll deduction), check the "Person" box. A cash contribution includes contributions paid by cash, credit card, check, money order, electronic fund or wire transfer, and other charges against funds on deposit at a financial institution.

If an **employee's** cash contribution was forwarded by an employer (indirect contribution), check the "Payroll" box. If an employer withholds contributions from employees' pay and periodically gives them to the organization, report only the employer's name and address or "N/A," as applicable, and the total amount given unless you know that a particular employee gave enough to be listed separately.

Check the "Noncash" box in column (d) for any contribution of property other than cash during the tax year, and complete Part II of this schedule. For example, if an organization that uses the accrual method of accounting reports a pledge of noncash property on Form 990, Part VIII, line 1g, it must check the "Noncash" box and complete Part II even if the organization didn't receive the property during the tax year.

For a section 527 organization that files a Form 8871, Political Organization Notice of Section 527 Status, the names and addresses of contributors that aren't reported on Form 8872, Political Organization Report of Contributions and Expenditures, don't need to be reported in Part I if the organization paid the amount specified by section 527(j)(1). In this case, enter "Pd. 527(j)(1)" in column (b) instead of a name, address, and ZIP code; but you must enter the amount of contributions in column (c).

Part II. In column (a), show the number that corresponds to the contributor's number in Part I. In column (b), describe the noncash contribution received by the organization during the tax year, regardless of the value of that noncash contribution. Note the public inspection rules discussed earlier.

In columns (c) and (d), report property with readily determinable market value (for example, market quotations for securities) by listing its **fair market value (FMV)**. If the organization immediately sells **securities** contributed to the organization (including through a broker or agent), the contribution still must be reported as a gift of property (rather than cash) in the amount of the net

proceeds plus the broker's fees and expenses. See the instructions for Form 990, Part VIII, line 1g, which provide an example to illustrate this point. If the property isn't immediately sold, measure market value of marketable securities registered and listed on a recognized securities exchange by the average of the highest and lowest quoted selling prices (or the average between the bona fide bid and asked prices) on the contribution date. See Regulations section 20,2031-2 to determine the value of contributed stocks and bonds. When FMV can't be readily determined, use an appraised or estimated value. To determine the amount of a noncash contribution subject to an outstanding debt, subtract the debt from the property's FMV. Enter the date the property was received by the organization, but only if the donor has fully given up use and enjoyment of the property at that time.

The organization must report the value of any qualified conservation contributions and contributions of conservation easements listed in Part II consistently with how it reports revenue from such contributions in its books, records, and financial statements and in Form 990, Part VIII, Statement of Revenue.

For more information on noncash contributions, see the instructions for Schedule M (Form 990), Noncash Contributions.

If the organization received a partially completed Form 8283, Noncash Charitable Contributions, from a donor, complete it and return it so the donor can get a charitable contribution deduction. Keep a copy for your records.

Original (first) and successor donee (recipient) organizations must file Form 8282, Donee Information Return, if they sell, exchange, consume, or otherwise dispose of (with or without consideration) charitable deduction property (property other than money or certain publicly traded securities) within 3 years after the date the original donee received the property.

Part III. Section 501(c)(7), (8), or (10) organizations that received contributions for use exclusively for religious, charitable, etc., purposes during the tax year must complete Parts I through III for each person whose gifts totaled more than \$1,000 during the tax year. Show also, in the heading of Part III, the total of gifts to these organizations that were \$1,000 or less for the tax year and were for exclusively religious, charitable, etc., purposes. Complete this information only on the first Part III page if you use duplicate copies of Part III.

If an amount is set aside for an exclusively religious, charitable, etc., purpose, show in column (d) how the amount is held (for example, whether it is commingled with amounts held for other purposes). If the organization transferred the gift to another organization, show the name and address of the transferee organization in column (e) and explain the relationship between the two organizations.

# **General Instructions**

**Future developments.** For the latest information about developments related to Schedule E (Form 990 or 990-EZ), such as legislation enacted after the schedule and its instructions were published, go to www.irs.gov/Form990.

# **Purpose of Schedule**

Schedule E (Form 990 or 990-EZ) is used by an organization that files Form 990 or Form 990-EZ to report information on private schools.

### **Who Must File**

An organization that answered "Yes" on Form 990, Part IV, line 13, or Form 990-EZ, Part VI, line 48, must complete and attach Schedule E to Form 990 or Form 990-EZ, as applicable. This means the organization checked the box on Schedule A (Form 990 or 990-EZ), Public Charity Status and Public Support, Part I, line 2, because it's a school.

If an organization isn't required to file Form 990 or Form 990-EZ but chooses to do so, it must file a complete return and provide all of the information requested, including the required schedules.

For Form 990 and Form 990-EZ filers, use Part II if additional space is needed for explanations.

# Specific Instructions

#### Part I

Relevant parts of Rev. Proc. 75-50, 1975-2 C.B. 587, are given below. The revenue procedure gives guidelines and recordkeeping requirements for determining whether private schools that are recognized as exempt from tax have racially nondiscriminatory policies toward their students.

- **4.01 Organizational requirements.** A school must include a statement in its charter, bylaws, or other governing instrument, or in a resolution of its governing body, that it has a racially nondiscriminatory policy as to students and therefore doesn't discriminate against applicants and students on the basis of race, color, and national or ethnic origin.
- **4.02 Statement of policy.** Every school must include a statement of its racially nondiscriminatory policy as to students in all its brochures and catalogues dealing with student admissions, programs, and scholarships. A statement substantially similar to the Notice described in paragraph (a), subsection 1, section 4.03, below, will be acceptable for this purpose. Further, every school must include a reference to its racially nondiscriminatory policy in other written advertising that it uses as a means of informing prospective students of its programs. The following references will be acceptable.

The (name) school admits students of any race, color, and national or ethnic origin.

- **4.03 Publicity.** The school must make its racially nondiscriminatory policy known to all segments of the general community served by the school.
- 1. The school must use one of the following two methods to satisfy this requirement.
- a. The school may publish a notice of its racially nondiscriminatory policy in a newspaper of general circulation that serves all racial segments of the community. This publication must be repeated at least once annually during the period of the school's solicitation for students or, in the absence of a solicitation program, during the school's registration period. Where more than one community is served by a school, the school may publish its notice in those newspapers that are reasonably likely to be read by all racial segments of the communities that it serves. The notice must appear in a section of the newspaper likely to be read by prospective students and

their families and it must occupy at least three column inches. It must be captioned in at least 12-point boldface type as a notice of nondiscriminatory policy as to students, and its text must be printed in at least 8-point type. The following notice will be acceptable.

# Notice of Nondiscriminatory Policy as to Students

The (name) school admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

b. The school may use the broadcast media to publicize its racially nondiscriminatory policy if this use makes such nondiscriminatory policy known to all segments of the general community the school serves. If this method is chosen, the school must provide documentation that the means by which this policy was communicated to all segments of the general community was reasonably expected to be effective. In this case, appropriate documentation would include copies of the tapes or script used and records showing that there was an adequate number of announcements, that they were made during hours when the announcements were likely to be communicated to all segments of the general community, that they were of sufficient duration to convey the message clearly, and that they were broadcast on radio or television stations likely to be listened to by substantial numbers of members of all racial segments of the general community. Announcements must be made during the period of the school's solicitation for students or, in the absence of a solicitation program, during the school's registration period.

Communication of a racially nondiscriminatory policy as to students by a school to leaders of racial groups as the sole means of publicity generally won't be considered effective to make the policy known to all segments of the community.

- 2. The requirements of subsection 1, section 4.03, won't apply when one of the following paragraphs applies.
- a. If for the preceding 3 years the enrollment of a parochial or other church-related school consists of students at least 75% of whom are members of the sponsoring religious denomination or unit, the school may make known its racially nondiscriminatory policy in whatever newspapers or circulars the religious denomination or unit utilizes in the communities from which the students are drawn. These newspapers and circulars may be those distributed by a particular religious denomination or unit or by an association that represents a number of religious organizations of the same denomination. If, however, the school advertises in newspapers of general circulation in the community or communities from which its students are drawn and paragraphs (b) and (c) of this subsection aren't applicable to it, then it must comply with paragraph (a), subsection 1, section 4.03.
- b. If a school customarily draws a substantial percentage of its students nationwide, worldwide, or from a large geographic section or sections of the United States and follows a racially nondiscriminatory policy as to students, the publicity requirement may be satisfied by complying with section 4.02, earlier. Such a school may demonstrate that it follows a racially nondiscriminatory policy within the meaning of the preceding sentence either by showing that it currently enrolls students of racial minority groups in meaningful numbers or, when minority students are not enrolled in meaningful numbers, that its promotional activities and recruiting efforts in each geographic area were reasonably designed to inform students of all racial segments in the general communities within the area of the availability of the school. The question whether a school

satisfies the preceding sentence will be determined on the basis of the facts and circumstances of each case.

c. If a school customarily draws its students from local communities and follows a racially nondiscriminatory policy as to students, the publicity requirement may be satisfied by complying with section 4.02, earlier. Such a school may demonstrate that it follows a racially nondiscriminatory policy within the meaning of the preceding sentence by showing that it currently enrolls students of racial minority groups in meaningful numbers. The question whether a school satisfies the preceding sentence will be determined on the basis of the facts and circumstances of each case. One of the facts and circumstances that the IRS will consider is whether the school's promotional activities and recruiting efforts in each area were reasonably designed to inform students of all racial segments in the general communities within the area of the availability of the school. The IRS recognizes that the failure by a school drawing its students from local communities to enroll racial minority group students may not necessarily indicate the absence of a racially nondiscriminatory policy as to students when there are relatively few or no such students in these communities. Actual enrollment is, however, a meaningful indication of a racially nondiscriminatory policy in a community in which a public school or schools became subject to a desegregation order of a federal court or otherwise expressly became obligated to implement a desegregation plan under the terms of any written contract or other commitment to which any federal agency was a party.

The IRS encourages schools to satisfy the publicity requirement by the methods described in subsection 1, section 4.03, regardless of whether a school considers itself within subsection 2, because it believes these methods to be the most effective to make known a school's racially nondiscriminatory policy. It's each school's responsibility to determine whether paragraph (a), (b), or (c), subsection 2, applies to it. On audit, a school must be prepared to demonstrate that the failure to publish its racially nondiscriminatory policy in accordance with subsection 1, section 4.03, was justified by the application to it of paragraph (a), (b), or (c), subsection 2. Further, a school must be prepared to demonstrate that it has publicly disavowed or repudiated any statements purported to have been made on its behalf (after November 6, 1975) that are contrary to its publicity of a racially nondiscriminatory policy as to students, to the extent that the school or its principal official were aware of such statements.

- **4.04 Facilities and programs.** A school must be able to show that all of its programs and facilities are operated in a racially nondiscriminatory manner.
- 4.05 Scholarship and loan programs. As a general rule, all scholarship or other comparable benefits available for use at any school must be offered on a racially nondiscriminatory basis. Their availability on this basis must be known throughout the general community being served by the school and should be referred to in the publicity required by this section in order for that school to be considered racially nondiscriminatory as to students. Scholarships and loans that are made pursuant to financial assistance programs favoring members of one or more racial minority groups that are designed to promote a school's racially nondiscriminatory policy won't adversely affect the school's exempt status.

Financial assistance programs favoring members of one or more racial groups that don't significantly derogate from the school's racially nondiscriminatory policy similarly won't adversely affect the school's exempt status.

**4.06 Certification.** An individual authorized to take official action on behalf of a school that claims to be racially nondiscriminatory as to students is required to certify annually, under penalties of perjury, that to the best of his or her knowledge and belief the school has satisfied the applicable requirements of sections 4.01 through 4.05, Rev. Proc. 75-50. This certification is line 7, Schedule E.

- **4.07 Faculty and staff.** The existence of a racially discriminatory policy for employment of faculty and administrative staff is indicative of a racially discriminatory policy as to students. On the other hand, the absence of racial discrimination in employment of faculty and administrative staff is indicative of a racially nondiscriminatory policy as to students.
- **7.01 Specific records.** Except as provided in section 7.03, each exempt private school must maintain for a minimum period of 3 years, beginning with the year after the year of compilation or acquisition, the following records for the use of the IRS on proper request.
- 1. Records indicating the racial composition of the student body, faculty, and administrative staff for each academic year.
- Records sufficient to document that scholarship and other financial assistance is awarded on a racially nondiscriminatory basis.
- 3. Copies of all brochures, catalogues, and advertising dealing with student admissions, programs, and scholarships. Schools advertising nationally or in a large geographic segment or segments of the United States need only maintain a record sufficient to indicate when and in which publications their advertisements were placed.
- Copies of all materials used by or on behalf of the school to solicit contributions.

#### 7.02 Limitation.

- 1. For purposes of section 7.01, the racial composition of the student body, faculty, and administrative staff may be an estimate based on the best information readily available to the school, without requiring student applicants, students, faculty, or administrative staff to submit information to the school that the school otherwise doesn't require. For each academic year, however, a record of the method by which racial composition is determined must be maintained.
- 2. The IRS doesn't require that a school release personally identifiable records or personal information contained therein except in accordance with the requirements of the Family Educational Rights and Privacy Act of 1974, 20 U.S.C. section 1232(g) (1974). Similarly, the IRS doesn't require a school to keep records the maintenance of which is prohibited under state or federal law.
- **7.03 Exceptions.** The records described in section 7.01 need not be independently maintained for IRS use if:
- 1. Substantially the same information that each of these records would provide has been included in a report or reports filed in accordance with law with an agency or agencies of federal, state, or local government, and this information is current within 1 year; and
- 2. The school maintains copies of these reports from which this information is readily obtainable. Records described in section 7.01 providing information not included in reports filed with an agency or agencies must be maintained by the school for IRS use.
- **7.04 Failure to maintain records.** Failure to maintain or to produce upon the proper request the required records and information will create a presumption that the organization has failed to comply with these guidelines.
